

Shoppin' in the USA

@ Dressage at Devon

Wednesday, September 28, 2022
www.dressageatdevon.org

The idea for this fund raiser was presented to the Dressage at Devon committee by a longtime competitor and breeder of sport horses. The Committee very much liked the idea of giving back to our loyal supporters and raising funds that will secure the future of the show.

“Shoppin’ in the USA” is like “Born in the USA,” a way of supporting our US breeders. Dressage at Devon can serve as a platform to introduce breeders and their offspring to a knowledgeable prospective customer base. It will make it easier for buyers to see multiple horses at one time. Horses can be seen while warming up and competing. The classes in which a sale horse is entered will be listed on the catalog. Sellers can choose to list their barn location.

There will be a **Final Presentation in the Dixon Oval on Wednesday**. However arena time is limited. If there are more horses entered than we can present in the allotted arena time, horses will be selected on a first-come first-served basis. Should farms enter multiple horses, one horse per farm will be allowed until slots are filled to give smaller breeders an equal opportunity.

The program is based on the good will and integrity of its participants. Sellers pay a nominal fee to participate, which includes a full page listing in the e-publication catalog as well as the in-hand presentation in the Dixon Oval. Program participation is only open to horses competing at DaD 2022.

Should the presentation at DaD result in a successful sale, the seller is encouraged to make a donation to Dressage at Devon roughly equaling the standard commission of 10% of the purchase price, thus helping to secure the future of DaD. **Donations to Dressage at Devon are tax-deductible.**

This is how it works

Deadline for participation is September 6, 2022. Enter your horse to compete in the Dressage at Devon Breed show by September 6.

Only competing horses may be entered. Fill out Seller Info and send catalog info to Andie Chalfant: android99@verizon.net
Each horse will receive a full page in the e-catalog. There is room for 4 photos and description (approx 225 words) - sample enclosed.

E-sales catalog will be shared with you and will be included in newsletter, show program and DaD social media posts.
