## @ Dressage at Devon

Presented by  
**HORSES**  
YOUR CONSIDERATION  
[www.Horses4YC.com](http://www.Horses4YC.com)

Every entry (per farm) will receive a 1 month/1 horse ad FREE at [horses4yc.com](http://horses4yc.com)!

“Shoppin’ in the USA” is a way of supporting US breeders. DaD can serve as a platform to introduce breeders and their offspring to a knowledgeable prospective customer base, making it easier for buyers to see multiple horses at one time. Horses can be seen while warming up and competing. The classes in which a sale horse is entered will be listed in the e-catalog.

There will be a **Final Presentation in the Dixon Oval on Thursday during the lunch break**. Arena time is limited, so if there are more horses entered than the allotted time allows, horses will be selected on a first-come first-served basis.

This program is based on the good will and integrity of its participants. Sellers pay a nominal fee to participate (\$100), which includes a full page listing in the e-catalog as well as the in-hand presentation in the Dixon Oval. **Program participation is only open to horses competing at DaD.**

Should the presentation result in a successful sale, the seller is encouraged to make a donation to Dressage at Devon, thus helping to secure the future of DaD. **Donations to Dressage at Devon are tax-deductible.**
